NOWA HISTORIA O CZERWONYM KAPTURKU

Little Red Riding Hood found a safe place at her Grandma's.
"What's wrong?" Grandma said
"The old Wolf took my beloved hood from me..."
The nice Wolf was also there and he felt very guilty about his dad's behavior.

In the forest, the four friends sat down in a circle. They started to talk together to find an idea to get the hood back.
"I saw a key hanging around my dad's neck", said little wolf. "It must be the key of his bedroom where he has probably hidden the hood!"
"I've got an idea!" yelled Little Red Riding Hood. "With my scissors, I'm going to cut the necklace and steal the key."
"But Bad Wolf is going to bite you if you go too close to him", shouted a nice wolf.
"No. I have a plan! I'm going to sing a nursery song from the cave entrance until he falls asleep. My parents always do that for me", answered the brave little girl.
"Great idea! Let's go!" said all her friends with joy.
