Vocational subjects

Wybierz opcje

Optional if you select a 'Subject'.

5. Key competences

Select the key competences that define this project.

Key competences *

Wybierz opcje

6. Aims *

Try to be specific, particularly in terms of competences and skills you hope your pupils will gain through this project. Refrain from stating too abstract concepts such as "European dimension of education" or "Intercultural communication".

7. Work process *

State how you intend to work with your partner schools and how responsibilities are shared. Give an approximate calendar of activities, state how frequently you will work with your partner; indicate how you intend to involve your pupils; if you intend to create teams of pupils of different schools, and other relevant information.

8. Expected results *

Indicate here if you are planning a final product such as a public TwinSpace or other resources. You might envisage instead the improvement of a school practice, or new knowledge.
