contacts in the  
project group  
Invitation to the  
project.**

# What can I do with ESEP?

The European Platform for School Education is a meeting place for all stakeholders in the school education sector, covering all levels of education, from early childhood education and care to primary and secondary education and initial vocational training.

The platform also includes the European community for eTwinning schools.

<https://school-education.ec.europa.eu/pl>

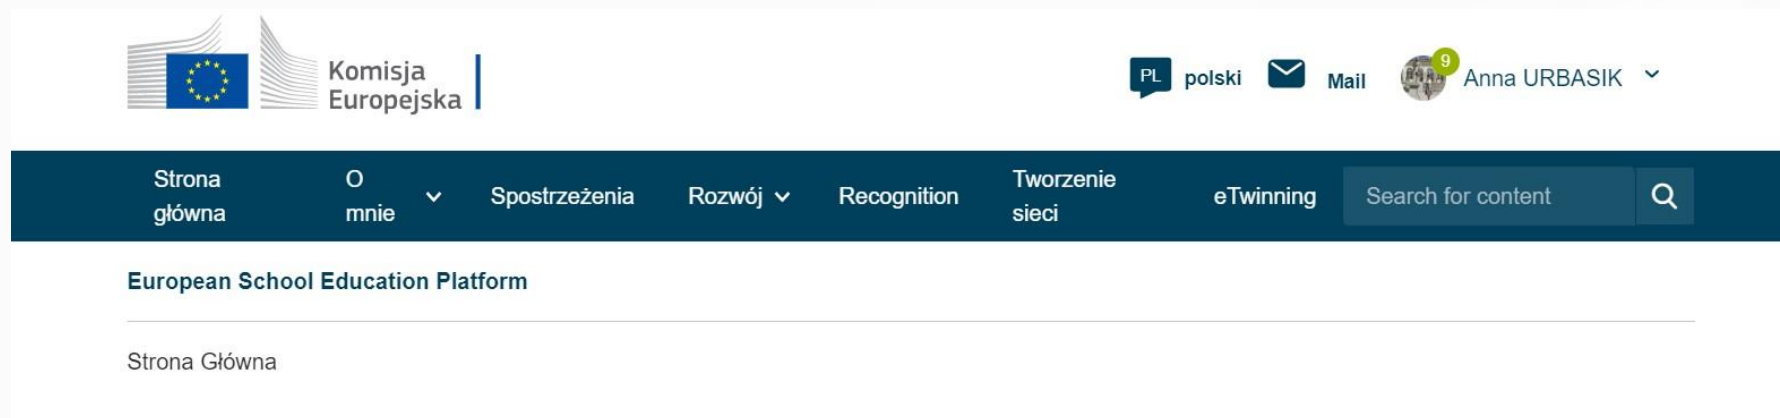

# Rebuilding the platform or building from scratch?

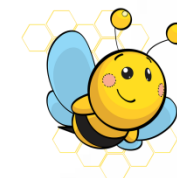

---

# ESEP step by step

<https://school-education.ec.europa.eu/pl>

# Checklist

---

☐
