The screenshot displays the School Education Gateway website. The top navigation bar includes links for Home, About, Insights, Development, Recognition, Networking, and eTwinning. A dropdown menu under 'Development' is open, showing 'School & System Development' and 'Professional Development'. A yellow double-headed arrow points from the 'School & System Development' link in the dropdown to the main header of the 'School Education Gateway' page. The main header features the title 'School Education Gateway' and the subtitle 'Europe's online platform for school education'. Below this is an orange navigation bar with links for Home, Latest, Viewpoints, Resources, Erasmus+ Opportunities, and Teacher Academy, along with a search icon. The main content area shows a breadcrumb trail 'Home > Theme Pages' and a section titled 'Theme pages' with a grid of six images: two children reading, children playing with blocks, children running in a hallway, a teacher with students, a group of diverse children, and a group of children smiling.
